- Pattern : dotted
- Material : Cotton
- Size : All Sizes
- Gender : Male & Female
- Type : Full Finger
- Is It Disposable : Yes

# OTHER SAFETY PRODUCTS

## RETRO REFLECTIVE TAPE

Retroreflective tape, also known as reflective tape or retro-reflective safety tape, is a type of adhesive tape that is designed to enhance visibility in low-light or nighttime conditions. It is often used for safety and identification purposes to make objects, vehicles, or individuals more visible to others, particularly when illuminated by headlights or other light sources.

### Specifications

- Highly visible.
- Adhesive back, easy peel and stick.
- Class 1 or Class 2 reflective.
- All 3 Colour Available
- Size: 50mm x 5 metres, 25mm x 2.5 metres.

## CAUTION DANGER TAPE

Caution tape, also known as warning tape or barrier tape, is a brightly colored tape often used in various settings to alert people to potential hazards, restrict access to certain areas, or provide warnings in situations where caution is required. It serves as a visual warning or barrier to keep individuals safe by drawing their attention to specific conditions or areas.

### Specifications

- Size : 3-Inch x 250 m
- Colour : White & Red
